On 05/10/11 at approximately 1927 hours, I was notified by Forensic Technician S. McKay-Davis to respond to 11532 Trailway Drive to assist with an Officer involved shooting (OIS) investigation. I arrived at the location at approximately 2040 hours and met with Supervising Forensic Technician C. Fuller who requested that I respond to Riverside Community Hospital (RCH) to photograph and collect possible evidence from the deceased suspect. I arrive at RCH at approximately 2105 hours, met with Detective C. Williams and awaited the arrival of the Riverside Sheriff's Department Deputy Coroner. Upon Deputy Coroner A. Roberts arrival, I began taking my photographs of S/ MILLON, Anthony Virgil DOB [REDACTED] at approximately 2205 hours. I then collected clothing and personal property belonging to S/ MILLON from Det. Williams at approximately 2240 hours. I later labeled the clothing and personal property evidence items SL01 through SL05 (see attached Evidence Log and/ or Property Report for full item descriptions). I finished my assignment and left the location at approximately 2245 hours. I returned to the Magnolia Station at approximately 2257 hours and placed evidence items SL01 through SL05 into the Evidence Vault.

At approximately 2310 hours, Detective R. Wheeler requested that I take photographs of Riverside Police Officer Z. Fishell #1425 and chart his weapon at the Magnolia Station Forensic Lab. I began taking my photographs at approximately 2318 hours. I then charted and collected Ofcr. Fishell's issued duty weapon and ammunition and labeled them evidence items WL01 through WL03 (see attached Weapon's Charting Form, Evidence Log and/ or Property Report for full item descriptions). I finished my assignment and placed evidence items WL01 through WL03 into my secured evidence locker at approximately 2345 hours. I then retrieved evidence items SL01 through SL05 from the Evidence Vault and placed them into the Secured Drying Lockers at approximately 0005 hours.

On 05/11/11 at approximately 0025 hours, I returned to 11532 Trailway Drive to assist with processing the backyard of the residence. I met with Supervising Forensic Technician C. Fuller for briefing. I began taking my overall, medium and close-up photographs at approximately 0123 hours. With the assistance of Senior Forensic Technician T. Ellis and Officer E. Hibbard, they took measurements of the evidence items and prepared a rough sketch of the backyard (see attached diagram). At approximately 0543, I began collecting evidence items B01, B01A, B02 through B23 (see attached Evidence Log and/ or Property Report for full item descriptions). I finished my assignment at approximately 0700 hours. I was then notified by Supervising Forensic Technician Fuller to respond to the RPD Aviation Hanger to take aerial photographs of the scene. I arrived at the location at approximately 0735 hours and met with RPD Pilot D. Mullins who flew me to and from the scene. I finished my assignment and left the location at approximately 0805 hours. I returned to the Magnolia Station and placed all evidence items into the Evidence Vault at approximately 0820 hours. I then downloaded (197) digital photographs into a secure file format.

On 05/12/11 at approximately 0800 hours, I retrieved all evidence items from the Secured Drying Lockers and Evidence Vault for processing. At approximately 1424 hours, I took additional photographs of evidence item B01: 357 Magnum revolver. I finished my assignment and released all evidence items to Police Property Specialist K. McAuley at approximately 1437 hours. At the request of Det. Wheeler, I then received evidence items WL01 and WL02 (to transport to the Department of Justice (DOJ) Riverside Criminalistics Laboratory) back from Police Property Specialist K. McAuley and placed them into my secured evidence locker at approximately 1439 hours. Next, I downloaded (7) digital photographs into a secure file format.
